MEMORANDUM FOR: Chief, DD/A Plans Staff

SUBJECT : Fighting Inflation and Reducing Daily Operating Costs

REFERENCE : DD/A 76-2736, 3 June 1976, same subject

1. The FY1976 Year-End Reports of DDI components on fighting inflation and reducing daily operating costs are herewith submitted as requested.

2. The savings/economies listed by DDI offices are significant in that they permit us to cope with new and increased demands within the resource levels that have been authorized for this Directorate. In sum, they represent real progress in cost-effectiveness but unfortunately no lessening of our stated resource needs which generally take such economies into account.
